## LISTING YOUR BUSINESS ON [www.WhanganuiTakeaways.co.nz](http://www.WhanganuiTakeaways.co.nz)

Thank you for your interest in listing your business on this website.

### Why List On This Website?

While there are a number of businesses showcasing their own business, or maybe listing businesses that are open under Level 3, they will predominantly connect with people already associated with them. Secondly, Facebook posts are 'in the moment' and as other posts are uploaded, the relevant ones drift off down the page.

[www.WhanganuiOnline.com](http://www.WhanganuiOnline.com) has a **FACEBOOK Page 'Wanganui'** which has **26,000 'likes'** and as such has an incredible reach to people in our community – as a partner website, [www.WhanganuiTakeaways.co.nz](http://www.WhanganuiTakeaways.co.nz) benefits from that online presence too and we will showcase businesses through posts to the page.

**By listing with and by association with this website, you will reach people that may not have even heard of your business before, so generating NEW business for you.**

### Options

We have two options available to you:

1. **List with us on this website** and have it link through to your website or Facebook page
2. **List with us on this website** and have us build a **Menu Listing and Online Ordering website** – this way, people order and pay in advance and you just have to concern yourself with the **contactless Click and Collect process**

### Cost

**Option 1** is just \$50.00 + GST from now until 30<sup>th</sup> June 2020 – we simply need you to provide an image and the website or Facebook details for us to link to for the listing. We'll do the rest, including the marketing!

### Option 2

Each business will have their own requirements, varied number of products etc. Consequently, we will need to discuss these with you and **provide you with a quotation** from there.

### Contact Us
